

Nature's Art Village

Boy Scouts of America & Girl Scouts of the United States of America Badge & Pin Programs

Webelos

Geology Badge Requirements Covered:

1. Collect five geologic specimens that have important uses.
2. Rocks and minerals are used in metals, glass, jewelry, road building products, and fertilizer. Give examples of minerals used in these products.
3. List some of the geologic materials used in homebuilding.
4. Explain one way in which mountains are formed.
5. Describe what a fossil is. How is it used to tell how old a formation is? Find examples of fossils in your area.

Completion of this program earns each Scout his Geology Badge while learning about the exciting and useful rocks and minerals all around us!
